Counsel,

Please find attached Arista's Sixth Supplemental Initial Disclosures. Pursuant to Fed R. Civ. P. 26(a)(1)(A)(i), these disclosures add two individuals, Ariff Premji and Christopher Summers. Mr. Premji and Mr. Summers are knowledgeable about Microsoft and Facebook, respectively. We are serving these disclosures after the close of discovery due to Cisco's belated identification of Microsoft and Facebook as alleged lost sales. Accordingly, although discovery is closed, we are willing to make Mr. Premji and Mr. Summers available for deposition.

Thanks,
Lizzy
